

INTERNATIONAL STUDENT RECRUITMENT FAIR IN SLOVENIA

25 Jan 2019 - 26 Jan 2019

Information

16,000 visitors attend the Slovenian Education and Career Fair. The education fair takes place in Slovenia in January, exactly two weeks before the national open-door day at schools, faculties, and universities across Slovenia.

Reasons to Attend

The exhibition brings together Slovenian and foreign institutions (high schools, vocational colleges, faculties and universities, language courses, lifetime learning programmes etc.) with scholarship givers and first employment officers. This way it creates a perfect opportunity for young people to find all information linked with their decisions on further education and vocational training in a single place.

Market Overview

Slovenia offers many opportunities to those looking for education at higher level. Higher education institutions are universities, faculties, art academies and professional colleges. Slovenian students also decide to gain students exchange experiences. Each year there are more Slovenian students who decide to study abroad to locations including Austria, Germany, Italy, the United Kingdom, the USA etc.

The Slovenian school system has seen a number of changes in recent years, aiming to ensure that as many people as possible realise their right to education, better than before, thus achieving a higher educational level.

Fair Outline

Differently from Slovenian open-door day, when university and secondary school students can visit a maximum of three educational programmes in a year, the Slovenian Education and Career Fair allows students to get to know practically all programmes in one or two days.

As the exhibition takes place before the national open-door day, young visitors have enough time to decide what programmes and relative three schools they should visit few weeks later and hopefully have an easier decision when turning in their school enrollment application in March.

The exhibition's second mission is also to prepare a unique one-day event in Slovenia, bringing into one single place companies, educational institutions and other organisations active in the field of business and professional education, training, counselling and publishing.

Slovenian Education and Career Fair is organised in collaboration with organisations such as High School Student

Organization of Slovenia, Student Organization of Slovenia, Institute of the Republic of Slovenia for Vocational Education and Training, Slovene Human Resources Development and Scholarship Fund and many others.
