

International Education & Career Fair in Nice

Information

The International Education & Career Fair in Nice is dedicated to providing students with knowledge of Bachelors, Masters, MBA, Internship, Job and Employment opportunities. As a fair exhibitor, you will be able to provide the answers to the many of the questions which visitors will have, such as - which studies to choose and how to start looking for a job.

Reasons to Attend

The International Education & Career fair is a must attend event where the most prestigious universities are gathered in the field of higher international education studies and careers worldwide. This higher education fair is an exceptional opportunity to promote your educational programmes among highly motivated students. The fair attracts international, ardent students and young professionals who are interested in studies and advancing their careers.

Market Overview

Each year, more 47,000 French students take degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US \$31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

Fair Outline

Many bodies of the educational and employment sector will be present informing students about their activities in Nice. High School and University students will be in attendance to take advantage of the wealth of information offered in a variety of fields and interests. The Studyrama fair for Higher Education is an unmissable event for students in the Alps Maritimes region.

Advantages of the fair:
