

Netherlands - International Education Fair

Information

The exhibition is the biggest platform in the Netherlands regarding study programs, internships, (voluntary) work, and language courses abroad. Leading organisations and relevant educational institutions inform visitors on all the aspects and possibilities of an educational and self-enriching stay abroad.

Reasons to Attend

it is the number one event in the Netherlands for anyone wishing to find out about the education, internships, work, or knowledge enhancement abroad. This gives you a unique opportunity to present your organisation and to meet the thousands of visitors from the Netherlands from your direct target group.

Market Overview

A unique opportunity to recruit students from Belgium and the Netherlands!

In addition to being an extremely fun experience, studying abroad is also a smart move for students. Research conducted by the European Commission has shown that young people who have studied abroad have a better chance of securing a steady job later on.

The Belgian as well as the Dutch government encourage international exchange programmes and make it financially feasible for students to study abroad. Students who are entitled to student grants and loans in the Netherlands are entitled to use them anywhere in the world. In addition to student grants and loans, students can also obtain a scholarship for a study programme abroad.

More and more Belgian and Dutch young professionals are adventurous and internationally oriented and want to explore their work skills beyond borders.
