Reasons to Attend

The fair is marketed extensively and the number of participants has steadily increased every year. Last year, we have over 53 institutions that took part in the fair. The fair has been held annually since 2003. Mauritius is a country where a significant number of students go abroad to study each year. The fair provides an ideal platform for recruiters to meet and interact with interested students

Market Overview

Despite being one of Africa's most developed countries, Mauritius still has only a few institutions where students can pursue higher education. As a result, most Mauritian students look as pursuing their educational dreams abroad. There are about 5000 Mauritian students who go abroad to study each year.

Mauritius is an island nation of 1.2 millions inhabitants in the Indian Ocean. Mauritius has a multicultural society in which the cultures blend and mix harmoniously. The population is made up of people of Indian, African, Chinese and French origin.
