CIS Countries - ICIEP 40th International Education Fair - Spring

Information

About the fair

ICIEP International Education Exhibition in the CIS region has over a 24-year history and is the first and oldest exhibition since 1998.

The main aim of the events is to provide CIS students with first-hand information on study abroad opportunities and, for foreign education institutions, to meet students and reach their student recruitment targets for the CIS market.

For many years, the exhibition has hosted National Pavilions for universities from Canada, the USA, Germany, France, Cyprus, China, Hungary, Estonia, Austria, Finland, Netherlands, Sweden Turkey, Switzerland and many other countries.

In the 2019-2020 academic years the fair was attended by over 60 institutions from Austria, Croatia, Cyprus, Czech Republic, Estonia, Finland, France, Germany, Greece, Hungary, Israel, New Zealand, Russia, South Korea, Spain, Taiwan, UK

In the current challenging times, it is still of paramount importance to stay connected to potential students, nurture and increase the institution's visibility and awareness as well as stay turned in with the current international recruitment opportunities in the country.

Levels of Education:

- Undergraduate (Bachelors)
- Postgraduate (Masters, MBA, LLM, Dip, PhD)
- Language learning
- Further education & vocational
- Foundation (Preparatory)

Reasons to Attend

The fair has become the most prominent international education exhibition in the CIS region, providing students with access to global study opportunities, and it has also created new recruitment opportunities for foreign education institutions in the CIS.

Market Overview

Students and parents alike are looking forward to finding out about opportunities to study abroad, making this event essential both for visitors and recruiters.

The number of the CIS students receiving education abroad has grown significantly over the last few years, with English language programs being the most popular courses according to data released by AcademConsult, a local company.

Before Covid, more and more CIS students packed their bags and go to study abroad. The most popular destination in Europe. The latest survey indicates that every third CIS student who is going to study abroad

selects United Kingdom, every sixth-seventh - France or Germany. Study in Finland, Sweden and Netherlands is more and more attractive for many young people. High quality of Swiss education in the field of hospitality industry is well-known here. USA and Canada are the most popular destinations for studying abroad outside of Europe.

Fair Outline

Each day will attract 1,500 - 2,000 attendees, including secondary school leavers, first, second and final-year university, graduates with work experience, low-level managers and mid-level managers.

The fair attracts exhibitors from countries worldwide, including several governmental bodies and/or their education promotion arms such as the Spanish Embassy, Agency CampusFrance, the Canadian Education Centres Network, CEAIE (China), DAAD and others.

Gulf Education and Training Exhibition in Dubai - Spring

Information

This event attracts some of the world's leading universities, colleges and other education providers, as well as suppliers of education equipment and technology.

Reasons to Attend

Every year the exhibition attracts over 35,000 local and expatriate students who are at the threshold of college life and actively looking for higher education, professional development and training options.

The exhibition focuses on General Education, Higher Education, Vocational Education, Training & Professional Development, Global EdTech Forum.

Market Overview

Dubai is a technologically advanced city with a continuous focus on innovation, offering a conducive environment for experiential learning, creative thinking and independent action. According to data collected by the Unesco Institute for Statistics which has published the Global Education Digest 2019, around 5,742 students from the UAE are studying abroad. Over 700 UAE nationals received government scholarships in 2019 to study overseas. The Dubai International Education Fair student recruitment is the Middle East's largest platform for the UAE and other GCC countries. It offers a consistently high lead ratio.

The number of schools in the UAE is expected to double in the next decade to meet the high demand for primary and secondary education. Until such time, demand will continue to outstrip supply much to the benefit of boarding schools in countries such as Australia, Canada, India, UK, USA and others.

Fair Outline

The exhibition is the Middle East and Asia's most powerful platform for student recruitment.

Consider the facts:

- Drawing on its experience from being in the market for 25 years, Gulf Education and Training Exhibition targets different student groups based on preferences and has a conversion rate that is far higher than industry averages
- The Gulf Education and Training Exhibition maintains close links with the corporate world and regularly hosts seminars and presentations on topics that bridge the divide between education and industry.
- The fair boasts of an exhibitor retention rate of over 90 percent year on year which is testament to its

success and position in the UAE education market.

- The Gulf Education and Training Exhibition offers a tangible return on your investment; every single person you interact and communicate with at the exhibition, has been targeted and invited and is genuinely interested in education.

Education is a top priority for the UAE government in recent years and accounts for more than AED 4.6 billion of the federal budget. Over 400,000 students of 52 nationalities, study in private schools in the UAE of which, over 330,000 students study in English medium schools.

International Education Fair in Kazakhstan

Information

The International Education Fair is a highly anticipated event that brings together representatives from universities around the world to showcase their programs and opportunities for international students. This year's fair will be held in four major cities across Central Asia: Astana, Shymkent, Almaty, and Tashkent.

The fair provides a unique opportunity for universities to connect with prospective students and build meaningful relationships with educational institutions in Central Asia. It is designed to attract a diverse range of universities from around the world, offering attendees the chance to learn about programs and opportunities they may not have otherwise discovered.

One of the key strengths of the event is its focus on facilitating connections between universities and prospective students. The event is carefully curated to ensure that both parties can make the most of their time together, with ample opportunities for attendees to network and explore new opportunities. Universities can also take advantage of the event's marketing and promotional materials, which are designed to help them stand out in a crowded market.

Another strength of the event is its focus on providing attendees with a comprehensive understanding of the global education landscape. This is achieved through a variety of keynote speeches, panel discussions, and presentations from experts in the field. Attendees can learn about the latest trends and developments in higher education, and gain insights into how universities can better serve the needs of international students.

In addition to its educational components, the fair also offers a range of social events and activities that help attendees connect with one another on a more personal level. These events provide opportunities for attendees to build relationships, share ideas, and explore new opportunities together.

Participating in the fair offers a range of benefits for universities looking to expand their international presence. Perhaps most importantly, it provides a direct line of communication with prospective students, allowing universities to showcase their programs and answer questions in real time. Additionally, participating in the fair can help universities build brand awareness and establish themselves as leaders in their field. By networking with other universities, attendees can also explore potential partnerships and collaborations, which can lead to exciting new opportunities in the future.

Overall, the International Education Fair in Kazakhstan and Uzbekistan is an excellent opportunity for universities to connect with prospective students and build relationships with educational institutions in Central Asia. By participating in this event, universities can gain valuable insights into the global education landscape, build brand awareness, and establish themselves as leaders in their fields. Whether you're looking to expand your international student base or simply connect with other universities, this fair is an event you won't want to miss.

International Education Fairs of Turkey - Spring

Information

The fair welcomes nearly 20,000 Turkish students to each of the semi-annual fairs. Throughout the past 12 years, the International Education Fair of Turkey has grown to become the largest education exhibition in both Turkey and the Middle-East, with universities from more than 30 countries attending every year.

Reasons to Attend

The Fair focuses solely on the Turkish Market, and therefore has built a reputation with students throughout the country through strong marketing and promotion of the exhibitions, and excellent relationships with local high schools, universities, language schools and Turkish agents. The Fall 2019 event welcomed over 300 exhibitors representing over 150 institutions from 25 different countries.

Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe and a clear market for overseas education. Turkey has a long history of placing great value in education and the pursuit of lifelong learning. Each year sees approximately 1.65 million Turkish students compete for only 529,000 entrance positions in post secondary institution.

- 2.5 million students are currently studying in the Turkish Higher Education System
- There are 141 State Universities, and 53 Private Universities in Turkey
- 1.5 million students will be seeking undergraduate Education in August
- 800,000 students will be placed in undergraduate programs in Turkey
- 100,000 undergraduate students will seek education abroad
- 2 million undergraduate and graduate are currently looking for overseas education opportunities.

Fair Outline

Fair students are from very respected universities and high schools of Turkey. The international education fairs in Turkey are also visited by a number of young and experienced professionals looking for education opportunities abroad. The Fair has a professional and hands-on approach to meeting the needs of our participating institutions, and also to bringing the highest quality Turkish students to its fairs. The Fair is committed to making the recruitment process both successful and enjoyable for both participants and students.

Students attending the exhibition are looking for education all over the world. While the UK and the USA continue to dominate student interest, they are looking more and more towards programs in Canada, Europe and Asia.

We give participating institutions complete support before, during and after the fairs, including:

- Material transportation between cities
- Professional stands with the option of uniquely designed backdrops
- Local high-school and university visits
- Free promotion in IEFT's Study Abroad Magazine, distributed to nearly 20,000 student visitors
- Optional web banners, flyer distribution, newspaper advertisements, and any other promotional branding needs an institution may have
- Well-organized accommodation and transportation options
- Complete visitor statistics sent to all participants upon completion of fair tour
- Amazing social and cultural activities throughout fair

Turkey - International Student Fairs - Spring

Information

We invite you attend the International Student Fairs in Turkey. We are pleased to offer this great opportunity for international schools keen on recruiting students from Turkey.

The International Education Fairs in Turkey are the only international study abroad fairs in the country supported officially by UED (The Association of International Education Counsellors of Turkey) and its prestigious member agencies.

Reasons to Register

In Fall 2018, the education exhibition received over 13,100 students in 5 days and secured over 120 institutions from 15 countries (Australia, Azerbaijan, Canada, China, Cyprus, France, Italy, Latvia, Russia, Spain, Switzerland, The Netherlands, Turkey, USA, & the UK). In addition to the international institutions, counseling agencies and the local & International sponsors, Austrade, British Council, CampusFrance, DAAD, Fulbright, Institut Francais, US Embassy, US Consulate, UED, Consulate of Ukraine, exhibited at the fairs.

Teenagers make up 30% of Turkey's population, two times higher than the EU average. In 2010, over 1.5 million students took the National University Placement Exam and only 327,869 students were placed in a four-year university in Turkey. Turkish students are looking to foreign institutions for admission.

Fair Outline

In the past 10 years, over 500 different institutions from 35 countries have attended the International Student Fairs in Turkey to promote their schools and meet thousands of students at these events. The International Education Fair in Turkey attracts the best student participation. The fair has a reputation for attracting the highest quality students. It attracts the most capable and qualified candidates.

Did you know that each year over 1,5 million Turkish students take the National University Placement Exam, but only 30% of them are placed in a university in Turkey? According to the Ministry of Education Statistics, more than 25,000 Turkish students preferred to study abroad in 2004. Including summer school and short-term tourist visas, the total number of students going abroad is over 40,000 annually.

International Student Fairs in Turkey are known for being a pioneer in student recruitment fairs with its 20 years experience in student recruitment. The fairs will utilize numerous forms of mass communication to deliver the best promotion which includes: local and national TV, radio, newspapers, magazines, billboards, text messaging, internet spots, etc.

The International Virtual Education Fairs in Turkey offer you a chance to meet thousands of eligible students, and it is a wonderful opportunity to network with many education agencies, local and international organisations, and foundations within a cost-effective budget.

The event will also include various social activities and we hope you will enjoy it!
