

Albania - Tirana International Education Fair

Information

Although Tirana is relatively small country, Albania and Kosovo are among the world's hottest markets for international students. Albania has the highest per-capita study abroad rate in Europe. Over 25,000 Albanians, representing almost 1% of the country's population, study abroad mainly in Europe, the US and Canada. Over 380,000 students from Albania and Kosovo are in colleges, universities, and high schools -making plans for their future.

The exhibition will be attended between 2,200 and 2,600 top-quality students will attend. The Fair works with local colleges, universities and high schools to pre-select the most qualified candidates with the greatest chance for success with visas, financial viability, and acceptance to your institutions. They work in partnership with students and their parents, helping them pre-select the best fit of subjects, schools and countries – in preparation for the event. The Fair reaches top talent throughout Albania and Kosovo, bringing students from smaller cities and regions not usually served by education fairs.

Autumn is the prime time for an education fair. Students need autumn and early winter to complete their language preparations. Students and parents use this time to research their choices, finalize their plans, and prepare for applications.

The exhibition has deep ties with all media outlets ensures outstanding publicity prior to, during and following the Fair as well as the fair also has the largest number of social media followers among other companies in Albania. When we post, students listen.

Hong Kong International Education Fair - Summer

Information

Hong Kong International Student Fair has become the most popular and informative education event in Hong Kong since its debut in 2004. The large-scale and well-found study resources exchange platform favors this event to be the most popular summer Expo of its kind in the city.

Reasons to Attend

The fair is well-positioned to continue delivering rich information exposures and timely preparation for candidates* and parents in tandem with the release of 1st HKDSE and HKAL results.

In 2019, over 20,000 visitors and 400 education providers from 20 countries and regions (Hong Kong, China, the U.K., the U.S.A., Australia, New Zealand, Canada, Switzerland and Japan), gathered to provide students with the latest career-oriented programs and academic courses. A wide spectrum of learning programs in diplomas, higher diplomas, associate degrees, bachelor degrees, master degrees, and vocational training will be available.

Market Overview

Hong Kong is a Special Administrative Region of the People's Republic of China and has a population of 7 million people. It is a dynamic market environment, now being influenced positively by major education reforms and changes to the academic structure being phased in between 2009 and 2012.

There is a well-established tradition among Hong Kong families of sending their children to study overseas. According to a Thematic Household Survey Report on 'Hong Kong students studying outside Hong Kong', by the Census and Statistics Department in December 2010, there were 66,700 people aged 25 and below who intended to study outside Hong Kong in the next five years.

Fair Outline

The Hong Kong fair is widely supported by various youth organizations and associations, educational professions, and media parties. To cope with challenges in a highly competitive knowledge-based community, we aspire to stride across the transitional period of 3.3.4. an education system with students, encourage them to pursue a promising future with a global vision through whole-person education.

Event Highlights:

- Over 200 local and overseas educational institutions enroll students on-site
- Various associate degrees and diplomas open for application
- Over 30 seminars cover details of various studies information and training
- Career-oriented curriculum
- Prizes for daily lucky draw winners

*Keen Competition in 2012 Public Examinations:

- 1st HKDSE - 77,000 candidates strive for merely 15,000 4-year curriculum vacancies among local universities
- HK A-Level - 36,000 candidates strive for merely 15,000 3-year curriculum vacancies among local universities

IEFT International Education Fairs of Turkey Roadshow - Summer

Information

The fair welcomes around 20,000 Turkish students to each of the semi-annual fairs. Throughout the past **19** years, **International Education Fairs of Turkey** has grown to become the largest education exhibition in Turkey, with universities from all over the World attending every year.

Reasons to Attend

The Fair focuses solely on the Turkish Market, and therefore has built a reputation with students throughout the country through strong marketing and promotion of the exhibitions, and excellent relationships with local high schools, universities, language schools and Turkish agents. The last Fall event welcomed around 200 institutions from all over the world and 20.000 visitors to the events in Ankara, Izmir, and Istanbul.

Market Overview

Turkey is a quickly-developing country, with the youngest population ratio in Europe. The country is working towards being in the top 15 economies of the World by 2020; so now, more than ever, there is a large market for a skilled, educated, globally-minded current and future workforce.

The demand for studying abroad is not only from secondary school students and graduates, but also from 2.5 million university students. The majority of Turkish university students know the role and importance of study abroad in getting a better job in a competitive business world. There are approximately 3.5 million students studying at Turkish universities which also includes Open University students. Around 2 million of them are studying on a 4 year course. There are around 350,000 university students in Istanbul at around 50 universities. Over 200,000 students at around 20 universities in Ankara. Izmir has 9 universities and 110,000 university students.

Fair Outline

Fair students are from very respected universities and high schools of Turkey. IEFT - The international education fairs of Turkey are also visited by a number of young and experienced professionals looking for education opportunities abroad. The Fair has a professional and hands-on approach to meeting the needs of our participating institutions, and also to bringing the highest quality Turkish students to its fairs. The Fair is

committed to making the recruitment process both successful and enjoyable for both participants and students.

Students attending the exhibition are looking for education all over the world. While the UK and the USA continue to dominate student interest, they are looking more and more towards programs in Canada, Europe and Asia.

We give participating institutions complete support before, during and after the fairs, including:

- Material transportation between cities
- Professional stands with the option of uniquely designed backdrops
- Local high-school and university visits
- Free promotion in IEFT's Study Abroad Magazine, distributed to nearly 20,000 student visitors
- Optional web banners, flyer distribution, newspaper advertisements, and any other promotional branding needs an institution may have
- Well-organized accommodation and transportation options
- Complete visitor statistics sent to all participants upon completion of fair tour
- Amazing social and cultural activities throughout fair

Reasons to Attend

The fair has become the most prominent international education exhibition in Russia, providing students with access to global study opportunities, and it has also created new recruitment opportunities for foreign education institutions in Russia.

It's also the core event of the project Marketing and Promotion of International Education in Russia.

Market Overview

The Russian government has revealed plans to encourage students to study abroad, by funding up to 10,000 students a year to attend some of the world's leading universities. According to a recent survey, education investment has become the favourite choice of many Russian parents. Students and parents alike are looking forward to finding out about opportunities to study abroad, making this event essential both for visitors and recruiters. International experts forecast that by 2020 Russia may enter the top-5 list of leading "demand states" in the world educational market, and the amount paid for education by the Russian students will triple.

The number of Russians receiving an education abroad has grown significantly over the last few years, with English language programs being the most popular courses according to data released by AcademConsult, a

local company that organises study abroad for Russian students.

Every year more and more Russian students pack their bags and go to study abroad. The most popular destination is Europe. Latest survey indicates that every third Russian student who is going to study abroad selects United Kingdom, every sixth-seventh - France or Germany. Study in Finland, Sweden and Netherlands is more and more attractive for many young Russians. High quality of Swiss education in the field of hospitality industry is well-known here. USA and Canada are the most popular destinations for studying abroad outside of Europe.

Fair Outline

Each day will attract 1,500 - 2,000 attendees, including Russian secondary school leavers, first, second and final-year university, graduates with work experience, low-level managers and mid-level managers.

The fair attracts exhibitors from countries worldwide, including several governmental bodies and/or their education promotion arms such as the Spanish Embassy, Agency CampusFrance, the Canadian Education Centres Network, CEAIE (China), DAAD and others.
