

Baltic International Recruitment Tour - Universities and Boarding Schools Spring

Information

The biggest Baltic State specialised public fair for International Education is taking place in three capitals – Vilnius, Riga and Tallinn during October 2018. Organised in a workshop style, the fair provides a relaxed atmosphere of the Radisson Blu Hotels' conference centres for the representatives of language schools and executive centres, boarding schools and colleges, universities and business schools.

Reasons to Attend

The Baltic International Recruitment Tour is the biggest specialised education abroad event in the Baltic States. The fair features unique educational institutions that represent the wide range of educational and professional programmes: general, intensive and special language courses, basic and secondary education, further education and professional training, diploma programmes, BA/BSc, Masters/MBA, postgraduate and others. Visitors from various target groups including schoolchildren and their parents, young people and students, adults and business people, representatives of private and state companies and organisations, mass media. Each year the fairs receive 2,000 – 5,000 visitors in each country.

Market Overview

More and more students from the Baltic States tend to look for opportunities to gain high quality international education, professional training and experience. Foreign language courses are becoming increasingly popular among people of different ages and occupations. Every year the number of students going abroad to language schools and universities is steadily growing.

The Baltic region has a long tradition of providing high-quality education. For young people it is a vibrant and international environment with the possibility to make use of the latest developments in different study fields, which makes the region an attractive place for living and studying. According to statistics from a poll by the non-profit organisation Dream Foundation, over 60 percent of Baltic students would like to study at a foreign university.

Fair Outline

The fairs are free to access by the public, allowing visitors to get acquainted with the student fair's participants; their courses and programmes and to take enrolments. On the other hand, education providers have the opportunity to meet and support their education agents, the Baltic Council and to establish new contacts.

The success of this fair is based on qualitative service and professionalism of the organizers combined with

broad promotion campaign providing return of investments for the fair's participants.

During the last several years the Baltic States (Latvia, Estonia and Lithuania) have become more attractive for education providers from all over the world. This is not a casual interest, but a developing tendency proving that the potential and demand for the educational industry abroad in the Baltic region is very high.

The Baltic international recruitment tour has been in place since 2005 with a growing number of participants and a strong presence of institutions presenting their programmes and services. The potential for the development of the education industry abroad is very high in the Baltics and the demand for quality programmes will continue to grow.

University Fairs

Gulf Education and Training Exhibition in Dubai - Spring

Information

This event attracts some of the world's leading universities, colleges and other education providers, as well as suppliers of education equipment and technology.

Reasons to Attend

Every year the exhibition attracts over 35,000 local and expatriate students who are at the threshold of college life and actively looking for higher education, professional development and training options.

The exhibition focuses on General Education, Higher Education, Vocational Education, Training & Professional Development, Global EdTech Forum.

Market Overview

Dubai is a technologically advanced city with a continuous focus on innovation, offering a conducive environment for experiential learning, creative thinking and independent action. According to data collected by the Unesco Institute for Statistics which has published the Global Education Digest 2019, around 5,742 students from the UAE are studying abroad. Over 700 UAE nationals received government scholarships in 2019 to study overseas. The Dubai International Education Fair student recruitment is the Middle East's largest platform for the UAE and other GCC countries. It offers a consistently high lead ratio.

The number of schools in the UAE is expected to double in the next decade to meet the high demand for primary and secondary education. Until such time, demand will continue to outstrip supply much to the benefit of boarding schools in countries such as Australia, Canada, India, UK, USA and others.

Fair Outline

The exhibition is the Middle East and Asia's most powerful platform for student recruitment.

Consider the facts:

- Drawing on its experience from being in the market for 25 years, Gulf Education and Training Exhibition targets different student groups based on preferences and has a conversion rate that is far higher than industry averages
- The Gulf Education and Training Exhibition maintains close links with the corporate world and regularly hosts seminars and presentations on topics that bridge the divide between education and industry.
- The fair boasts of an exhibitor retention rate of over 90 percent year on year which is testament to its success and position in the UAE education market.
- The Gulf Education and Training Exhibition offers a tangible return on your investment; every single person you interact and communicate with at the exhibition, has been targeted and invited and is genuinely interested in education.

Education is a top priority for the UAE government in recent years and accounts for more than AED 4.6 billion of the federal budget. Over 400,000 students of 52 nationalities, study in private schools in the UAE of which, over 330,000 students study in English medium schools.

International Education Fair in Georgia

Information

International Education Fair in Georgia will present a great number of educational establishments, and the opportunities of study programmes in Georgia and other countries.

Reasons to Attend

More than 25% of undergraduate students, graduate students and senior schoolchildren in Georgia are currently looking for overseas education opportunities. The registration for University National Exams in Georgia last from February to March. The National Exams last from June to July. Therefore, the fair date in February is the best time for both students and institutions, according to their next steps in education.

At the International Education Fair in 2017 there were 114 exhibitors in total. Visitors had an opportunity to meet representatives from 16 countries: Australia, China, Czech Republic, Estonia, France, Georgia, Germany, Hungary, Latvia, Lithuania, the Netherlands, North Cyprus, Poland, Turkey, UK and USA.

There has been a development of the number of visitors attending the fair each year:

2012 – 5,800

2013 – 7,200

2014 – 9,000

2015 – 12, 000

2016 – 12, 000

This incline in numbers highlights the increase in student interest in international education and demonstrates education as a priority for many visitors.

Market Overview

- Approximately 36,000 entrants/applicants are passing national exams in July to study in the higher education institutions of Georgia.
- 25% of undergraduate and graduate students, and senior schoolchildren in Georgia are currently looking for overseas education opportunities
- There are 59 Universities in Georgia (31% State Universities and 69% Private Authorized Universities) with over 124,000 students studying at higher education level.
- There are 13 colleges authorized with over 240,000 students studying at secondary level.
- The three-level system of higher education consists of: the first level - Bachelor's degree, the second step - Master's degree, the third step - PhD

The fair date is the best time for both students and institutions according to their next step in education (the registration for university national exams in Georgia last from February to March, the national exams in last from June to July).

Fair Outline

International Education Fair is a great platform for professionals and decision-makers in the education sector to exchange their experience and know-how. The parallel events: presentations, seminars and workshops will reach the goals and aims of the exhibition.

Studying abroad is becoming more and more popular among Georgian students as the country itself continues to pursue integration into the international society and the demand for professionals with international experience is rapidly increasing amongst Georgian and regional employers. The B2C concept of the exhibition shows a very clear value to the exhibitors as well as visitors. It is an “Open Door Day” for all the presented organizations an opportunity to receive all required information directly from the source for the visitors.

The International Education fair will cover such subjects as state and private higher education institutions, colleges, vocational schools, training centers, language schools and courses, as well as will provide information on new study programmes, and information about the services for students and educational institutions. Education Fair 2018 will bring together the quality international education providers with study abroad agents and education consultants.

The exhibition is promoted through an aggressive and informative marketing campaign encompassing a variety of effective marketing tools to reach all visitors segments. Media includes target group-specific direct marketing, online campaigns, advertising in numerous trade publications and in the general business press, extensive press activities and networking with industry associations and media.

International Education Fair of Cyprus

Information

We are pleased to announce the organization of the International Education Fair of Cyprus.

The International Education Fair of Cyprus aims to fill the gap created by the operation's ceasing of the Cyprus States Fair Authority, who until 2014 was organizing the International Education Fair in Cyprus.

The International Education Fair of Cyprus will become the gate where the representatives of the higher

educational institutions will meet and attract Cypriot and international students living in Cyprus and wish to study either locally or abroad. Furthermore, the Exhibition is offering an opportunity to providers of educational equipment and technology, books and other products and services addressed to students, such as career services, to be promoted to at least 10,000 students and youngsters.

In more detail at the International Education Fair of Cyprus the following organisations are welcome to participate:

- Local and International Universities / Colleges / HEIs
- Local Private Schools (Primary and Secondary Education)
- International Schools
- Education Consultants / Advisors
- Postgraduate and Vocational Training Institutes
- Study abroad agencies
- Employment and Career Agencies & Placement Firms
- Public Authorities
- Book Publishers & Bookstores
