## **Fair Outline**

International Education Fair is a great platform for professionals and decision-makers in the education sector to exchange their experience and know-how. The parallel events: presentations, seminars and workshops will reach the goals and aims of the exhibition.

Studying abroad is becoming more and more popular among Georgian students as the country itself continues to pursue integration into the international society and the demand for professionals with international experience is rapidly increasing amongst Georgian and regional employers. The B2C concept of the exhibition shows a very clear value to the exhibitors as well as visitors. It is an “Open Door Day” for all the presented organizations an opportunity to receive all required information directly from the source for the visitors.

The International Education fair will cover such subjects as state and private higher education institutions, colleges, vocational schools, training centers, language schools and courses, as well as will provide information on new study programmes, and information about the services for students and educational institutions. Education Fair will bring together the quality international education providers with study abroad agents and education consultants.

The exhibition is promoted through an aggressive and informative marketing campaign encompassing a variety of effective marketing tools to reach all visitors segments. Media includes target group-specific direct marketing, online campaigns, advertising in numerous trade publications and in the general business press, extensive press activities and networking with industry associations and media.
