Arts Education Fair - Paris - Fall 2026

14 Nov 2026

Information

The Art Education Fair Paris aims to help creative students discover their ideal academic and career paths within the vibrant worlds of art, fashion, design, and digital media.This specialized fair brings together leading art schools, prestigious universities, and industry professionals. The primary objective is to showcase a comprehensive continuum of training opportunities and career paths for aspiring creatives and young professionals looking to break into the cultural and creative industries.

Reasons to Attend

This unmissable event targets students seeking high-caliber creative training in France at the undergraduate or graduate level. It is also highly relevant for young graduates, career-changers, and working professionals looking to elevate their artistic skills, specialize in a new creative sector, or give their design career an international dimension

Market Overview

France, and Paris in particular, stands as a global epicenter for the arts, fashion, and culture. As the third-largest economy in Europe, France heavily invests in its cultural infrastructure, with the national government dedicating 20% of its annual budget to education overall. Higher education in the arts features a rich tradition of accessibility and excellence. Tuition options across various specialized public and private institutions are designed to support artistic talent. Furthermore, the booming global demand for French expertise in luxury, animation, fashion design, and visual communication draws thousands of passionate international students to Paris every year

Fair Outline

The fair structure is designed to guide creative minds through every step of their educational journey:

- **Creative & Applied Arts Pavilion:** Featuring prestigious fine arts schools (*Beaux-Arts*), public universities, and specialized private academies offering programs from foundational years to Master’s degrees.

- **Fashion & Luxury Hub:** Showcasing elite institutions specializing in fashion design, textile arts, luxury

brand management, and haute couture.

- **Design, Digital & Media Spaces:** Connecting students with industry-leading schools in graphic design, interior architecture, 3D animation, video game design, and visual communication.

- **Preparatory & Foundation Courses:** Dedicated advice areas for high school students looking to prepare portfolios for competitive entrance exams (*classes prépa*).

Features & Interactive Content

- **Expert Conferences & Lectures:** Held throughout the day to highlight evolving trends in the creative sectors, portfolio building tips, insights into the digitization of art, and navigating the *Parcoursup* application process for art programs.

- **Portfolio Clinics:** Opportunities for prospective students to receive direct feedback on their creative work from school representatives and faculty members.

- **Official Studyrama Resources:** All visitors will receive a copy of *"The Official Studyrama Guide to Creative Arts & Design Education"* at the main entrance desk.

Engineering and Business Schools Fair - Paris - Winter 2026

28 Nov 2026

Information

The Engineering and Business Schools Fair Paris aims to help students find an international education and/or career path abroad. The Fair also aims to represent a substantial number of industry sectors for prospective employees to investigate different career paths. The objective of the event is to develop a dynamic continuum of the various opportunities available in the sectors for students and young professionals with all levels of experience.

Reasons to Attend

This not to be missed event addresses French students at the undergraduate or graduate level as well as students from abroad who wish to find information on an international curriculum. It is also directed towards young graduates and the currently employed who would like to give their career a more international dimension.

Market Overview

Each year, more than 47,000 French students take degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US $31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

Fair Outline

Among the present institutions: Prestigious schools and French universities, European establishments (German, Swiss, Spanish, English, Belgian), North American establishments (American and Canadian universities), Australian establishments, and a Language Pavillon offering linguistic travel with language courses abroad.

The international mobility/living abroad area

-A number of French and European institutions will be available for consultation and international recruitment firms.

-International mobility agencies will be present to give advice and information to visitors looking to move abroad.

Visitors are attracted to the wide range of exhibitors and services provided by the fair including a bookshop with specialised works on living and studying abroad. Conferences and lectures will be held throughout the day to offer a broad spectrum of employment options from various industry sectors and the new tendencies in recruitment. Visitors will also receive copies of “The Official Studyrama Guide to International Education”, which will be given out at the international guide desk at the front of the fair.

This fair is the pre-eminent way for skill and opportunity to join together in a functional environment. This is a great opportunity to promote your services and to enrol students and graduates.

International Studies and Language Travel Fair - Paris - Winter 2027

16 Jan 2027

Information

The International Education and Language Travel Fair Paris is the definitive gateway for institutions and agencies to tap into the high-demand French market. Positioned ideally at the start of the year, it offers the ultimate high-visibility environment to engage directly with qualified applicants, promote global programs, and drive enrollments for the upcoming academic cycle.
The Fair aims to help students find an international education path, gap year opportunity, or language immersion program abroad. The fair also aims to connect ambitious young prospects with international mobility experts, program directors, and university representatives to map out global career paths. The objective of the event is to develop a dynamic continuum of the various study abroad, internship, and language training opportunities available globally for students and young professionals.

Reasons to Attend
This not to be missed event addresses French high school and university students at the undergraduate or gradyauate level who wish to find information on an international curriculum, study abroad exchanges, or summer schools. Masters and MBA Fair in Rennes

06 Feb 2027

Information

The Masters and MBA Fair is a leading educational event for prospective postgraduates, focusing on a large number of study areas, including art, sports, management, engineering, law, finance, tourism, health, digital studies.

Reasons to Attend

The fair is a targeted event focused on providing high-quality services for students who aspire to do an MBA or Masters programme while, in turn, giving institutions the opportunity to meet and recruit high-achieving students. 2500 participants joined the event in the previous event in Lille.

The fair benefits from a strong regional reputation and extensive communication campaigns including digital marketing, radio spots, local press and outreach in more than 300 schools.

Market Overview

Each year, more than 63,000 French students undertake tertiary studies abroad, with 47,000 French students taking degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US $31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

Fair Outline

A series of workshops and lectures are scheduled to happen at the fair. Workshop subjects include ‘Successful Admission to the Master 2’ and ‘MBA, Masters and double degrees’.

Personal coaching workshops will be held to accompany and guide students by representatives of BIOP (Bureau d’Information et d’Orientation de Paris) and the CCIP (Chambre de Commerce et d'Industrie de Paris).

Professional lectures will be presented based on an international area for International Schools.

Visitors can also receive the official guide ‘How to choose the best Master 2, MBA, MSC…’ that lists all the educational options at each level.

Masters, MBA and Career Fair - Montpellier - Winter 2027

27 Feb 2027

Information

The Masters, MBA and Career Fair - Montpellier aims to help students find an international education and/or career path abroad. The Fair also aims to represent a substantial number of industry sectors for prospective employees to investigate different career paths. The objective of the event is to develop a dynamic continuum of the various opportunities available in the sectors for students and young professionals with all levels of experience.

Reasons to Attend

This not to be missed event addresses French students at the graduate level as well as students from abroad who wish to find information on an international curriculum. It is also directed towards young graduates and the currently employed who would like to give their career a more international dimension.

Market Overview

Each year, more than 47,000 French students take degrees in non-native European Union countries. France has a population of 62.9 million with a per capita GDP of US $31,096 and is the third-largest economy in Europe after Germany and the UK. French higher education has a long tradition of openness and accessibility*. The national government devotes 20 percent of its annual budget to education. Fees for both French and international students are kept very low to persuade students to stay in education as long as possible. There are about 190,000 international students, from all over the world, currently enrolled in French higher education.

Fair Outline

Among the present institutions: Prestigious business schools and French universities, European establishments (German, Swiss, Spanish, British, Dutch, Belgian), North American establishments (American and Canadian universities) as well as Australian establishments.

The international mobility/living abroad area

-A number of French and European institutions will be available for consultation and international recruitment firms.

-International mobility agencies will be present to give advice and information to visitors looking to move abroad.

Visitors are attracted to the wide range of exhibitors and services provided by the fair including a bookshop with specialised works on living and studying abroad. Conferences and lectures will be held throughout the day to offer a broad spectrum of employment options from various industry sectors and the new tendencies in recruitment. Visitors will also receive copies of “The Official Studyrama Guide to International Education”, which will be given out at the international guide desk at the front of the fair.

This fair is the pre-eminent way for skill and opportunity to join together in a functional environment. This is a great opportunity to promote your services and to enroll students and graduates.
