

International Education Fair Korea - Fall 2026

19 Sep 2026 - 20 Sep 2026

Information

We welcome you to take part in the largest study abroad exhibition in Korea.

Reasons to Attend

The Korea International Education Fair has been organized since 1992 and brings more than 200 schools and associations related to studying abroad from over 20 countries as well as 50 associations related to emigration from 10 countries.

Market Overview

Korea is a rapid-growing education-market with students who are eager to improve their global competitiveness and parents who are keen interested in their children, especially in the part of education. Every year about 300,000 people are going to study abroad or get language courses.

The number of Korean students studying abroad is increasing. According to a recent report, the number of Korean students studying abroad has jumped more than 32 percent over the past five years. Of the total, 60.7 percent went abroad to pursue degrees, with the remaining 39.3 percent for language study.

Fair Outline

Korea Study Abroad Fair visitors benefit from the rich information about studying abroad and emigration which is provided at this one-stop service, face-to-face, at the fair. The fair has many supporters including embassies, state governments, education offices, and emigration offices.

As the biggest study abroad fair in Korea, this is the best place for you to build connections and promote your institution and programs to Korean students and parents directly.

The fair is supported by many government bodies including Embassy of the People's Republic of China, Korean Overseas Study Association, New Zealand Embassy, Nuffic NESO Korea, Philippine Department of Tourism-Korea, South African Embassy, The British Council, US Embassy, French Embassy and many more.

Do not miss this great opportunity to generate more recruitment of Korean students. We look forward to your participation for success of the Korea Study Abroad Fair!

Japan Education Expo - Osaka, Fall 2026

13 Oct 2026 - 15 Oct 2026

Information

The Japan Education Expo is a premier event for students both from Japan and overseas to explore higher education, vocational schools and language programs in Japan and other countries.

Reasons to Attend

The Osaka leg of the Expo presented here saw 7500 visitors and 120 exhibitors last year, receiving students from all over the country.

Market Overview

Over 91,000 Japanese students choose to study abroad each year, a number steadily rebounding toward pre-pandemic peaks as young minds seek global perspectives. Simultaneously, Japan has solidified its status as an educational powerhouse, hosting a record-breaking 408,000 international students.

Continuous efforts are being made by the Japanese government and the private sector to foster global talent, with a core national target of sending 500,000 Japanese students abroad annually by 2033 while expanding university-industry collaboration. With this powerful emphasis on two-way internationalization, Japan remains a premier global hub for higher education, innovation, and cross-border research.

Fair Outline

Supported by key educational authorities, the **Japan Education Expo** is superbly timed to align with major graduation and university entrance periods. During this pivotal time, students and parents will be eagerly collecting vital information on programs, scholarships, and institutions of higher learning to pursue their future goals.

For many students, a visit to this expo marks the beginning of an exciting new chapter. This is where they make crucial decisions—not only on their specific field of study, but also on the academic institutions that will help them shape their future careers. For others, the fair is the perfect venue to gather insights and compare options to

make a well-informed choice for their educational journey.

Overseas International Education Expo Taiwan - Fall 2026

03 Oct 2026 - 06 Oct 2026

Information

Overseas International Education Expo is Taiwan's largest and most established education expo, attracting thousands of students actively planning to study abroad.

Reasons to Attend

Key strengths:

- Impressive marketing investment per expo across digital, print, and outdoor channels
 - Multi city reach: Taipei, Taichung, Kaohsiung
 - High intent audience: Students in active decision making stages
 - Full lead database provided to exhibitors
- Opportunity: Efficient, high impact market engagement for institutions from any country.

Market Overview

Taiwan is one of Asia's most consistent and academically strong outbound student markets. Despite a population of just 23 million, Taiwan sends a high number of students abroad each year. Families place strong cultural value on international education, and students are motivated, academically prepared, and globally minded.

Why it matters: Taiwan provides a stable pipeline of high quality undergraduate and postgraduate applicants for institutions worldwide.

Undergraduate Market Insights

- Strong academic preparation: Taiwanese students excel in STEM, arts, languages, and digital skills.
- High English proficiency: Many attend bilingual, international, or English medium schools.
- Interest in creative and tech fields: Music, performing arts, design, gaming, media, and computing are rapidly growing sectors.
- Parents prioritise safety, reputation, and structured support: They favour destinations with strong student services and clear progression pathways.

Opportunity: Undergraduate applicants from Taiwan are academically strong, well prepared, and adapt quickly to international study environments.

Postgraduate Market Insights

- High demand for international master's degrees: Students seek global exposure, career advancement, and specialised training.
 - Motivated and mature applicants: PG students typically have clear goals, strong academic backgrounds, and financial readiness.
 - Popular fields: Business, engineering, AI/data, design, creative industries, education, and health sciences.
- Opportunity: Postgraduate applicants from Taiwan show excellent conversion rates and strong academic performance.
